Arley,

Augie is off tomorrow so I really need your input. The in-house printer is not working at all so I'm off to the printer now to print enough copies for this weekend.

Furthermore, I need to place a printing order by tomorrow in order to get enough maps for next weekend. I want to submit a printing order of 10,000 copies tomorrow morning. It takes 4-6 business days to process. Please let us know if you have any last minutes changes before we submit our printing order.

Best regards,
